Notice:

We are invoicing calendar-yearly (with some journals semi-annually) for 12 or 6 months in advance. Intra-yearly starts are possible at any time.

In derogation thereof, the subscription period of 6 months for the journals JA and JuS is not bound by the calendar year, but freely selectable.

From January 2018 on, the "Neue Zeitschrift für Verwaltungsrecht (NVwZ)", the "NVwZ-RR – Rechtsprechungs-Report Verwaltungsrecht" as well as the combined offer of "NVwZ – Neue Zeitschrift für Verwaltungsrecht + NVwZ-RR – Rechtsprechungs-Report Verwaltungsrecht" will have a yearly accounting period.

The subscribers will receive the annual registers automatically as supplement of the last year's journal.

If this can only be realized in the first journal of the following year, it will be published explicitly by a note of the bookbinder inserted in the cover of the last year's journal. For the journal Neue Juristische Wochenschrift (NJW) there are no annual registers available as it is bound semi-annually; the semi-annual registers are identical with the last journal of every half-year (journal no. 26 and 52).

For single issues no preferential price can be conceded.

Until further notice we are offering a 3
